

## Welcome to IMAX Melbourne

### 'Captiview' captioning

It's as simple as ❶ ❷ ❸ ❹

- ❶ Once you've found your seat, place the seat attachment firmly in the cup holder, on the left or right.
- ❷ Position the device until you can see the movie captioning and adjust according to your preference.
- ❸ If the device is not displaying captions, press the 'C' button on the underside of the device to connect.
- ❹ At the end of the film, please return the device to the box office

Enjoy the movie!
