# TECHNICAL REQUIREMENTS

## **Presentations:**

Our cinemas can support PowerPoint and Keynote presentations hosted on your own laptop. Videos must be embedded in the presentation and saved on the laptop to avoid any technical hiccups. Please contact us for technical specs. If you require technical support to support your presentation or event, extra fees may apply (please see below for rates).

## **Screening your movie:**

Movies must be supplied in DCP format. We are happy to discuss options for converting the file to a DCP.

## **Rehearsals:**

A technical rehearsal is mandatory for all events and is included in the cost of the theatre hire. If a second rehearsal is required, this will incur a technical support charge of \$70 per hour.

## **Extras:**

IMAX Melbourne is happy to facilitate and coordinate any additional requests that you may have for your event. At an extra cost we can supply\*:

- Technical support: \$70 per hour (Three hour minimum charge)
- Branding and activation of our foyer and function spaces
- Lighting options for our foyer spaces
- Event security
- Red carpet
- Additional microphones

Please contact us to discuss additional event options, rates and also event opportunities with the Melbourne Museum!

\* Please note additional charges may apply on weekends & public holidays
