- For bookings over 25 people, additional tickets are \$95pp, with additional guests being seated in our general seating area, rather than Premium seats
- Additional catering packages can be arranged and quoted accordingly

TECHNICAL REQUIREMENTS

Presentations:

Our cinemas can support PowerPoint and Keynote presentations hosted on your own laptop. Videos must be embedded in the presentation and saved on the laptop to avoid any technical issues. Please contact us for all required technical specs. If you need additional tech support, extra fees may apply.

Screening your movie:

Movies must be supplied in DCP format and will be subject to an ingestion charge. We are happy to discuss converting movie files into the DCP format if required.

Rehearsals:

A technical rehearsal is mandatory for all events and is included in the cost of the theatre hire. If a second technical rehearsal is required, this will incur a minimum charge of \$300.

More:

Please contact us to discuss additional event options, rates and also event opportunities with the Melbourne Museum!
